The Gate-way staff is a group of people that come together to organize the fun activities for the students the week before classes begin. This year's staff included Chelsey Gaddy, Lesley Ladd, Amber Ponder, Katie Holsclaw, Neece Giles, Carla Meador, Rachelle Brockway, Andrew Wiegratz, Shane Johnson, Pam Sherwood, Helen Brown, Brandon Jeffs, Jamie Ballance, and Robin Cole.

Lunsford Festival

Starting in 1928, the Bascom Lamar Lunsford Festival has allowed the Mars Hill community to come together the first weekend in October to celebrate our heritage with music, crafts, and food.

Many MHC alumni come back to enjoy all of the festivities including Bailey Mountain Cloggers, face painting, local craftsmen, and homemade apple butter.

Iota Alpha Omega

Iota Alpha Omega is a Christian service and social fraternity. We were founded in 1982 at Mars Hill College; however, by 1998 interest in this fraternity died out and they did not reemerge unt 2003. We focus on doing service projects and social activities that promote God. They join together with different backgrounds and appearances, but uphold the one rea goal. That goal is to show the world, starting with Mars Hill College, that Goa is all and He is rea This year they joined with FCA and performed a skit at the Lions' Growl

Christian Student Movement

This year, Christian Student Movement, continued their long-standing tradition of hosting Tuesday night meals in the Fellowship Hall. There, students meet for fun, fellowship, and, most importantly, faith. Every week, a local church provided CSM with a wonderful home cooked meal. Following the meal, students enjoyed a Bible study and played some of the most random games ever. This year, CSM has tried to break their self-created Tuesday night meal mold by adopting the slogan "more than just a meal". In keeping with this slogan, members of CSM participated in a Fall Break mission trip to Gulfport, Mississippi to help with Katrina relief efforts. Journey Team members led youth retreat weekends at churches across the state. CSM's choir, New Beginning Singers, traveled to local churches to sing and do service work. The fall semester was a busy one, but CSM managed to squeeze in a night of fun at Asheville's Fun Depot and hosted their annual Fall Hoedown. The Spring semeter included the annual Messy Games Day and other mission opportunities. Regardless of denomination, the Christian Student Movement has something for everyone and is, indeed, "more than just a meal".

The Refuge

The Refuge is a Christian organization on campus. It meets every Wednesday night for worship and Bible study. Everyone is welcome to come, worship, and delve deeper into God. Dirk Hemling presents a message every week. Everyone who participates in the Refuge has the chance to meet the group of great student leaders who want to help those who come to grow and get to know Christ. The refuge is a great place to meet new friends and really find other Christians on campus who want to praise God with a genuine love and a huge heart for Him. The free coffee house is open to everyone and begins at 6:00 p.m. and the worship and message begins at 7:00 p.m. Another aspect of the Refuge is our discipleship groups that go on outside of the refuge with local leaders in the surrounding church community. It is another way to connect with people, learn, and love God.

The Refuge Leadership Team

Ladies of Distinction

The Ladies of Distinction of Mars Hill College come together for the purpose of networking and sharing thoughts and ideas in order to improve our family, our community, and ourselves. Our mission is to bring together an array of positive women to gain empowerment skills, and insight on how to enrich our lives. They hope to create an opportunity for women to meet, support each other, learn about each other, share in fellowship, investing, seminars, and networking with others of the same interest. LOD's mission is to improve the relationship between women and to promote awareness, understanding, love, and acceptance of who we are and who we are striving to become. Not only do we strive on perfecting ourselves, but also the community around us. Our mission is to give back to the community in recognition of our blessings. This year we participated in Black History Month, the soul food dinner in the Caf, and our annual date auction.

Active Minds

Active Minds is a student-run mental health awareness, education, and advocacy organization. The group is designed to utilize peer outreach to increase students' awareness of mental health issues and symptoms of mental illness, provide information about available resources, encourage students to seek help as soon as help is needed, and to serve as liaison between students and the mental health community. By promoting awareness and education, the group aims to remove the stigma that surrounds mental illness and create an open environment for discussion of mental health issues. Some activities we have done are the "Pie your favorite Teacher in the Face", Field Day and Cookout, Open Mic Night, and collaboration with the counseling office for a campus mental health screening. The founders are Carla Meador, Rachelle Brockway, and Laura LaFrancis. The members include Lindsey Jones, Jessica Isaacs, Chris Kingston, Rebekah Bunch, Ashley Dover, Jennifer Johnson, Katie Kellet, Chris Collins, Alexandra Simons, Dustin McCue, Cassandra Rising, Christina Smith, and Heather Brooks

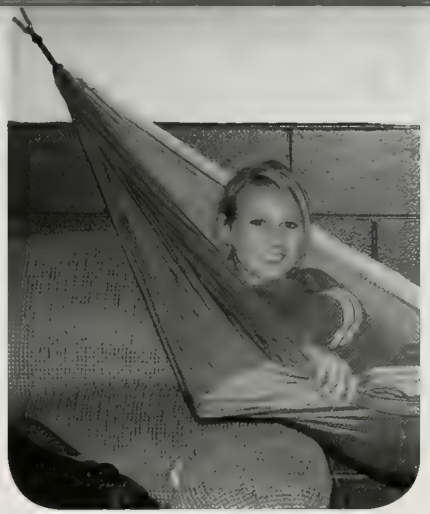
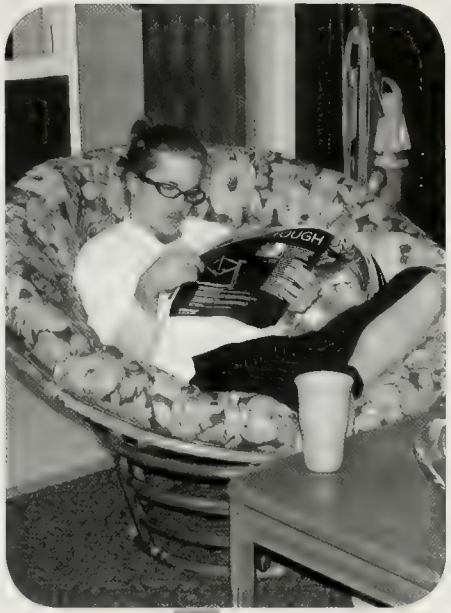
Selected students have taken part in the Wilderness First Aid class so they can lead individual trips. Student Leaders include Tyler Hoffman, Travis Sullens, Chris Brunton, Stephanie Hasty, Vinessa Landolt, Megan Moran, and Justin Risberg.



Lustar



Phi Mu Alpha

Phi Mu Alpha is dedicated to instilling in others music's important role in the enrichment of the human spirit. The object of this fraternity shall be for the development of the best and truest fraternal spirit, the mutual welfare and brotherhood of musical students, the advancement of music in America, and a loyalty to the alma mater.

This was our strongest year since re-chartering with 15 active brothers from every walk of life.

Disc Golf

Mars Hill College was first introduced to Disc Golf in the '70s, but it wasn't until 2003 that Business professor and nationally ranked disc golfer, Ryan Pickens, first set up an official 18-hole course. Since then the sport has grown and become a popular past time for many students on campus. MHC even offers Disc Golf as an accredited class and is the only area college to do so.

MHC also participates in an intercollegiate league with UNCA, Montreat, Brevard, Black Mountain, and other area colleges and the team has won several tournaments since the league began. Disc Golf is a fast growing sport, though still in its beginning stages here at MHC, we hope the sport's popularity will continue to prosper.

Cheerleading

The 2005-2006 Mars Hill Cheerleading Team is comprised of male and female students with various backgrounds. The cheerleaders help define school spirit by performing at home and away football games during the fall, and men and women's home basketball games during the spring. The life of a cheerleader takes a lot of time, hard work, and dedication. The cheerleading season begins with camp during the summer, and individuals come together for the first time to unify as a team. Each cheerleader has to be willing to set and accomplish goals for the team and for themselves. Cheerleaders are required to maintain a GPA of 2.3 or higher. In a typical week the cheerleading team practices a minimum of 3 days with conditioning workouts. As MHC cheerleaders we strive to be the best we can be for the college, community, and ourselves.

"Now that the late nights working on the yearbook are over and after numerous hours of faith, hard work, and dedication I can say that this yearbook is complete. I would not be where I am today without God and the light he has shown along my path guiding me and leading me to where I am today and to where I am headed in the future."
